

# **Plumbers and Steamfitters Local 773 & PILMA-NY Tour**

- On June 27th, the Pharmaceutical Industry Labor-Management Association of NY (PILMA-NY) and Plumbers and Steamfitters Local 773 held a presentation and tour to showcase the partnership between the pharmaceutical industry and organized labor in New York.
- There was a tour of the Plumbers and Steamfitters Local 773 training facility, along with a discussion on the cutting edge training that Plumbers and Steamfitters Local 773 provides to its members.
- The union also explained what work they do as part of the construction and ongoing maintenance of pharmaceutical facilities in the region.
